

FEMCARE™ MVP

SANITARY DISPOSAL SYSTEM

Features and Benefits

- Dispose of waste safely and responsibly.
- Silver-ion based Biomaster® additive is moulded into each Femcare® MVP unit, providing a durable lifelong protection against harmful bacteria build-up on the product surface, ensuring maximum hygiene for both users & servicing staff.
- Manual (foot pedal) and touch free (automatic) versions available.
- Innovative revolving carousel ensuring waste is completely hidden.
- Removable chute (black) for easy cleaning.
- Top cover easily/quickly removed.
- Femcare™ antimicrobial liners are available for use in conjunction with the Femcare™ MVP disposal systems.
- The first feminine hygiene waste liner incorporating Biomaster® antimicrobial silver-ion protection and odour eliminating technology.

50p from the sale of every Femcare™ MVP

"Vectair have partnered with The Eve Appeal women's cancer charity. Vectair will donate 50p from the sale of every Femcare™ MVP unit sold in the UK to the charity to help in their quest to prevent gynaecological cancers."

Registered charity numbers 1091708 & SC042812

Stylish. Subtle. Safe.

FEMCARE™ MVP

SANITARY DISPOSAL SYSTEM
