OrbiMac CAS

- Oscillating drive for powerful mechanical cleaning effect – significantly more effective than pure circular motion.
- Cordless for maximum flexibility with manufacturer-independent CAS battery system.
- Brush ring as an option – ideal for rougher floors such as concrete.
- Weighing only 24.0 lb (with battery) and with a transport wheel, the OrbiMac CAS is particularly easy to maneuver and to transport.

Clean. Cleaner. Cleanfix.

OrbiMac CAS

Oscillating drive

The cleaning brush or cleaning pad and its drive plate are eccentrically mounted and move at 1600 oscillations per minute. These movements produce unique cleaning results.

Technical data

Total power	18 V / 10 Ah
